

## **Bob Tyskowski, Senior Editor & Colorist**

### **READ MORE...**

With over twenty-five years of experience in the broadcast media industry, Bob Tyskowski's familiarity and expertise ranges throughout a wide array of post-production avenues. His broadcast media familiarity spans from a variety of editing platforms, a strong background in film, and color correction rendering skills which leave him capable of tailoring projects to the client's needs. Although knowledgeable and experienced within a variety of editing forms, Bob excels in short form promotional work. Familiar clients such as TLC, National Geographic, Travel, Discovery and others, commonly rely on Bob for their post production editing needs.
